Closing Remarks and Goodbyes

4.30pm - Presented by Jemma, Eshaa, Lara

FUNKY QUESTION TIME!1!1!

Who is your greatest inspiration?

Presentation Day!

What will tomorrow look like?

Round 1: Preliminary Rounds

- → All teams will present their work to a panel of judges in 4 heats
- → Each team is randomly assigned to a heat

Round 2: Finals

- → The top team from each heat will compete in the finals with a brand new judging panel
- → This will be live-streamed across Atlassian

Networking

After finals, we will have a networking session both online and in-person where you will have a chance to chat to Atlassians, including recruiters!!!

The details of your presentation...

Submission

You will need to submit your presentation and code base by 11.59pm TONIGHT!

Presentation

You will have 8 minutes to present your work to the judging panel

QnA

The judging panel will have 5 mins following your presentation to conduct a QnA

Judging Criteria

Innovation

Evaluate the creativity and originality of the solution. Does it introduce a novel approach to solving developer customer problems?

Technical Implementation

Assess how well the solution is executed using Forge UI and AI capabilities. Consider the complexity and effectiveness of the technical implementation.

Impact

Determine the potential impact of the solution on developer customer problems. How effectively does it address the identified issues?

Judging Criteria

Presentation Quality

How well is the solution presented? Are the objectives, process, and outcomes clearly communicated?

Team Collaboration

Assess the level of collaboration and teamwork demonstrated during the hackathon.
